

Safety Data Sheet I. PRODUCT AND COMPANY IDENTIFICATION

| Product Name: | PMSTR FS 75W90 GL5 5GL | | |
|-------------------------|---------------------------------------|--|--|
| Product Code: | PMI7595G | | |
| Emergency Phone: | CHEMTREC: +1 (800) 424-9300 | | |
| | International: +01 (703) 527-3887 | | |
| Poison Control | (800) 222-1222 | | |
| Center: | | | |
| Company: | Warren Distribution, Inc. | | |
| | 727 S. 13th Street | | |
| | Omaha, NE 68102 | | |
| Information Phone: | +01 (800) 825-1235 +01 (402) 341-9397 | | |
| E-mail: | sds@wd-wpp.com | | |

II. HAZARDS IDENTIFICATION

| II. HAZARDS IDEN II | FICATION | | | | |
|-------------------------------|---|--|--|--|--|
| Routes of Entry: | Skin contact, Inhalation, Ingestion, Eye contact | | | | |
| Target Organs: | Eyes, Skin | | | | |
| Chemical Interactions: | No chemical interaction known to affect toxicity. | | | | |
| Conditions Aggravated | Personnel with pre-existing skin disorders should avoid contact with this product., Skin | | | | |
| by Exposure: | disease including eczema and sensitization, Eye disease | | | | |
| | | | | | |
| Acute Health Effects: | | | | | |
| Inhalation Irritation: | Breathing oil mist in concentrations that exceed the TLV and PEL may result in | | | | |
| | respiratory discomfort and irritation. | | | | |
| Skin Contact: | Can cause severe irritation, defatting, and dermatitis. Irritation effects may last for hours | | | | |
| | or days but will not likely result in permanent damage. | | | | |
| Skin Absorption: | No absorption hazard in normal industrial use. | | | | |
| Eye Contact: | Contact with the eyes may cause moderate to severe eye injury. Eye contact may result | | | | |
| | in tearing and reddening, but not likely to permanently injure eye tissue. Temporary | | | | |
| | vision impairment (cloudy or blurred vision) is possible. | | | | |
| Ingestion Irritation: | Although this product has a low order of acute oral toxicity, aspiration of minute | | | | |
| | amounts into the lungs during ingestion or vomiting may cause mild to severe | | | | |
| | pulmonary injury and possibly death. | | | | |
| | | | | | |
| Chronic Health Effects | | | | | |
| Carcinogenicity: | Not expected to cause cancer. This product meets the IP-346 criteria of <3% PAH's and | | | | |
| | is not considered a carcinogen by the International Agency for Research on Cancer. | | | | |
| Reproductive | No data available to indicate product or any components present at greater than 0.1% | | | | |
| Toxicity: | may cause birth defects. | | | | |
| Mutagenicity: | No data available to indicate product or any components present at greater than 0.1% is | | | | |
| | mutagenic or genotoxic. | | | | |
| | | | | | |

III. COMPOSITION/INFORMATION ON INGREDIENTS

| Chemical Name | % | CAS # | OSHA Exposure Limits |
|---|-------------------|-----------------|----------------------------|
| Highly refined synthetic base stocks | 40 - 70 | 64742-54-7 | 5 mg/m3 |
| alkyl methacrylate oligomer | 10 - 30 | - | 0 |
| Diisodecyl adipate | 1 - 5 | 27178-16-1 | |
| Petroleum distillates, hydrotreated heavy paraffinic | 0.5 - 1.5 | 64742-54-7 | 5 mg/m3 |
| Alkoxylated long-chain alkyl amine | 0.1 - 1 | Confidential | - |
| Components not listed are not physical or health haza | rds as defined in | n 29 CFR 1910.1 | 1200 (Hazard Communication |
| Standard). | | | |

| Inhalation: | Remove to fresh air. If breathing is difficult, have a trained individual administer |
|------------------|--|
| Erroge | oxygen. |
| Eyes: | Immediately flush eyes with plenty of water for at least 20 minutes retracting eyelids often. Tilt the head to prevent chemical from transferring to the uncontaminated eye. Get |
| Skin Contact: | immediate medical attention and monitor the eye daily as advised by your physician. Wash with soap and water. Remove contaminated clothing, launder immediately, and |
| Skii Contact. | discard contaminated leather goods. Get medical attention immediately. Seek medical advice if symptoms persist. |
| Ingestion: | Minimal risk of harm if swallowed. Do not induce vomiting. Seek medical attention immediately. Provide medical care provider with this SDS. |
| Notes to Doctor: | Aspiration during swallowing or vomiting may severely damage the lungs. If evacuation of stomach contents is necessary, use method least likely to cause aspiration. |
| | |

IV. FIRST-AID MEASURES

V. FIRE FIGHTING MEASURES

| Flammability | Combustible at elevated temperatures |
|-----------------------------|--|
| Summary: | |
| Extinguishing Media: | Use alcohol resistant foam, carbon dioxide, or dry chemical when fighting fires. Water or foam may cause frothing if liquid is burning but it still may be a useful extinguishing agent if carefully applied to the surface of the fire. Do not direct a stream of water into the hot burning liquid. |
| Fire and/or Explosion | Material may be ignited only if preheated to temperatures above the high flash point, for |
| Hazards: | example in a fire. |
| Fire Fighting Methods | Do not enter fire area without proper protection including self- contained breathing |
| and Protection: | apparatus and full protective equipment. Use methods for the surrounding fire. |
| Hazardous | Carbon monoxide, Smoke |
| Combustion Products: | |

VI. ACCIDENTAL RELEASE MEASURES

| Personal Precautions | Exposure to the spilled material may be severely irritating or toxic. Follow personal |
|-----------------------------|--|
| and Equipment: | protective equipment recommendations found in Section 8 of this SDS. Personal |
| | protective equipment needs must be evaluated based on the special circumstances |
| | created by the spill including; the material spilled, the quantity of the spill, the area in |
| | which the spill occurred, and the expertise of employees in the area responding to the |
| | spill. Never exceed any occupational exposure limits. |
| Methods for Clean-up: | Prevent the spread of any spill to minimize harm to human health and the environment if safe to do so. Wear complete and proper personal protective equipment following the recommendation of Section 8 at a minimum. Dike with suitable absorbent material like granulated clay. Dispose of according to Federal, State, Local, or Provincial regulations. Used fluid should be disposed of at a recycling center. Remove from water surface by skimming or with suitable absorbents. Do not use dispersants. Avoid runoff into storm sewers and ditches that lead to waterways. Do not flush to sewer. |

| VII. HANDLING AND STORAGE | | | |
|---------------------------|--|--------------------------------------|--|
| Handling Precautions: | Toxic or severely irritating material. Avoid contacting and avoid breathing the material. | | |
| | Use only in a well ventilated area. Empty containers may retain product residues/ | | |
| | vapors. Use proper bonding and grounding during bulk product transfer. | | |
| Storage Conditions: | Store in a cool dry place. Isolate from incompatible | e materials. | |
| | | | |
| | TROLS/PERSONAL PROTECTION | | |
| Engineering Controls: | Use local exhaust ventilation or other engineering | controls to minimize exposures and | |
| | maintain operator comfort. | | |
| Respiratory | Respiratory protection may be required to avoid ov | | |
| Protection: | product. General or local exhaust ventilation is the | 1 1 | |
| | respirator if general room ventilation is not availab | le or sufficient to eliminate | |
| D | symptoms. | | |
| Respirator Type(s): | None required where adequate ventilation is provided. If airborne concentrations are above the applicable exposure limits, use NIOSH/MSHA approved respiratory | | |
| | protection. | VISHA approved respiratory | |
| Eye Protection: | Wear chemically resistant safety glasses with side | shields when handling this product | |
| Eye I folcetion. | Wear additional eye protection such as chemical sp | 0 1 | |
| | the possibility exists for eye contact with splashing | | |
| | material. Do not wear contact lenses. Have an eye | | |
| Skin Protection: | Avoid skin contact by wearing chemically resistan | | |
| | protective equipment depending upon conditions of use. Inspect gloves for chemical | | |
| | break-through and replace at regular intervals. Clean protective equipment regularly. | | |
| | Wash hands and other exposed areas with mild soa | p and water before eating, drinking, | |
| | and when leaving work. | | |
| Gloves: | Neoprene, Nitrile | | |

X. PHYSICAL AND CHEMICAL PROPERTIES

| Physical State: | Liquid |
|--------------------------|------------------|
| Color: | Amber |
| Odor: | Mild |
| pH: | Not determined |
| Viscosity (cSt at | 92.87 |
| 40°C): | |
| Solubility in Water: | Negligible; 0-1% |
| Octanol/Water | Not determined |
| Partition Coefficient: | |
| Evaporation Rate: | Not determined |
| Vapor Density: | Not determined |
| Vapor Pressure: | <0.20 |
| Boiling Point (°C): | Not determined |
| Freezing Point (°C): | Not determined |
| Specific Gravity: | 0.88 |
| Density: | 7.34 |
| Flash Point (°C): | 223 |

| Lower Flammability | Not established |
| Limit, % in air: | |

X. STABILITY AND REACTIVITY

| Stability: | Stable under normal conditions. | | |
|------------------------|--|--|--|
| Conditions to Avoid: | Temperatures above the high flash point of this combustible material in combination | | |
| | with sparks, open flames, or other sources of ignition. Moisture (will lead to product | | |
| | performance degradation). | | |
| Materials to Avoid: | Strong oxidizing agents | | |
| Hazardous Decomp. | Carbon monoxide, Smoke | | |
| Products: | | | |
| Hazardous | Hazardous polymerization will not occur. | | |
| Polymerization: | | | |

XI. TOXICOLOGICAL INFORMATION

paraffinic

| M. IOMCOLOGICI | | 511 | | |
|----------------------------|-------------------------------------|---------------------|---------|---|
| Acute Toxicity: | | | | |
| Ingestion: | No hazard in normal industrial use. | | | |
| Inhalation: | No hazard in normal industrial use. | | | |
| Absorption: | | hazard in normal | | |
| Eyes: | This material is | s estimated to be n | on-irri | tating eyes (Draize score <15 [rabbits]). |
| Skin: | This material is | s estimated to be s | lightly | irritating (Primary Irritation Index is 0.5 - 3.0 |
| | [rabbits]). | | | |
| Sensitization: | Contains a subs | stance that may ca | use ski | n sensitization. |
| | | | | |

Consumer Product Safety Improvement Act of 2008 General Conformity Certification:

This product has been evaluated and certified to be labeled and packaged in compliance with the applicable provisions of the Federal Hazardous Substance Act as stated in 16 CFR 1500 and enforced by the Consumer Product Safety Commission, and where applicable the products that require Child Resistant Closures are packaged in accordance with the Poison Prevention Packaging Act as stated in 16 CFR 1700 and enforced by the Consumer Product Safety Commission. All closures have been tested in accordance with the latest protocols. No other testing is required to certify compliance with the above. The date of manufacture is stamped on the product container.
