

COMPREHENSIVE BUSINESS INSURANCE

As a member, you're able to take advantage of comprehensive insurance packages from the Evarts Tremaine Flicker Company (ETF), an insurance brokerage service that works with small automotive businesses and understands the specialized needs of the automotive aftermarket. With its unique skills, the company is able to provide your business with access to the general insurance marketplace at discounted prices.

Certified Service Center members now have access to **Lifestyle Health Plans** as well as a full program of other business insurance products through our partnership with Evarts Tremaine.

ETF can review your insurance needs and “shop” a wide variety of national and regional providers to find you the best rates. ETF will create a comprehensive program that best meets your business needs and goals for your operation.

ETF can also help in all facets of insurance offerings, including (but not limited to) property, liability, life, casualty, health, workman's compensation, and auto packages at exclusive discounts!

This is an exclusive service for our U.S. members, and ETF has a dedicated team of agents ready to serve you. Call 216-325-9060 to speak to an ETF agent or visit www.avbtinsurance.com.
