

# GREATAMERICA LEASING

GreatAmerica Leasing enables you as a member to invest in the equipment your business needs, or make capital investments with a simple, no money down, hassle-free leasing program.

## TOOLS & EQUIPMENT FINANCING

- Invest in new equipment that can provide additional income from new or expanded services.

## TECHNOLOGY

- Utilize Point of Sale (POS), shop management, data and communications systems, and other technology that will lower your operating costs and improve your business efficiency.

## DESIGN PACKAGES

- Add signage, fixtures, or graphics to enhance your shop's image. Install video in your waiting areas to facilitate menu boards or AutoNetTV\* to inform your customers of promotions and service deals.

**100% Financing, Zero down  
30-day no pay, \$1 Buyout  
One-page application**

GreatAmerica Leasing specializes in the aftermarket parts and service industry, making it easy for your location to stay on the cutting edge of technology and “curb appeal” by providing affordable leasing options.

For more information contact your parts supplier. \*See AutoNetTV flyer for AutoNetTV program details.
