

NORTH AMERICAN PARTS WARRANTY

In today's competitive environment, customers expect a warranty that is honored at all locations across the country. Supported by manufacturer warranties and our entire network, the North American Parts Warranty allows your customers to travel with confidence knowing that the parts they purchased are covered.

This coast-to-coast warranty is honored on all parts sold by member parts stores.

The benefits are:

- Increased confidence and peace of mind with quality auto parts
- Ability to compete more effectively with retailers and other national chains
- Access to an easy-to-use program backed by the strength of our partnering manufacturers' warranties

For more information, contact your parts supplier.
