

REPAIR SHOP WEBSITES

The world has gone digital and your presence online is more important than ever. Make a great first impression and build a website with staying power.

For more than 13 years, Repair Shop Websites has built professional websites exclusively for the automotive repair industry. With no contracts and a 95% customer retention rate, Repair Shop Websites is confident you will receive great search results and extraordinary customer service.

Special Certified Service Center benefits include:

- Discounted setup fee
- Branded design
- Confidence Plus North American Warranty® information built into your site

“Repair Shop Websites has brought a tremendous amount of service to our shop. The site is very professional, very clean, and we’ve had a tremendous amount of compliments on it.”

Jeff Finley
Certified Service Center
Northside Service, Inc. - Lansing, MI
