

# SAFEROUTE ROADSIDE ASSISTANCE®

With SafeRoute Roadside Assistance® you can provide your customers with a powerful 12-month program and ensure they will never find themselves stranded without assistance.

SafeRoute provides all Certified Service Centers an optional benefit they can use to reward good customers when major maintenance work is done, or even on smaller repair tickets when routine work is performed. Provide an added benefit to your loyal customers.

SafeRoute Roadside Assistance offers a comprehensive five-point service package designed for easy implementation and covers the most common roadside emergencies:

**Fluid Delivery**  
(fuel, oil, and water)

**Lockout Assistance**

**Flat Tire Assistance**  
(changing of a tire)

**Towing Service**

**Battery Jump Start**

For additional information, contact your parts supplier.
