

TITAN TIRE ROAD HAZARD

ROAD HAZARD PROTECTION

If tires and tire service are an important part of your business, you can increase your overall customer satisfaction and compete more effectively with the national chains by offering Titan Tire Road Hazard Protection. This warranty and roadside assistance package provides unsurpassed customer service that shops can offer to their tire customers.

- ✓ **No stickers! No stamps! No shipping fees! No need to carry inventory!**
- ✓ **Manage, order, and track everything through an online sales tool.**
- ✓ **Pay for the coverage AFTER you've made the sale.**
- ✓ **Location, brand, and nationwide coverage areas without limitations.**

The Titan Tire Road Hazard warranty service is offered by Sonsio, the administrator of the Confidence Plus® North American Warranty and SafeRoute Roadside Assistance® program. You can be confident that your tire customers will be well taken care of should they experience problems.

The automated program has little to no paperwork involved, making it easy to manage and sell.
